No need to apologize. We are aware of who he is.

Mike,

Thanks for sending this over. We are discussing Mr. Giacalone's actions with our council, who believe he is way over the line and will take steps to hopefully curtail this type of nonsense. Of course, if it wasn't for him there would be a beautiful development on Elmwood. Sorry for this...Have a great weekend!

Mark

Mark/Jeff - We are getting copied on complaints re: your Elmwood project. I am sure you are aware of Mr. Giacalone, but if not, FYI ...

Hope all is well ...

MIKE
